LA Art Show Continues: Day 3 Features Art, Sound, and Healing

The LA Art Show's 30th anniversary celebration continues today at the Los Angeles Convention Center from 12 pm to 8 pm, offering visitors an immersive experience of contemporary art and cultural programming.

Today's Featured Exhibitions

Visit Art In Dongsan (Booth 302) to experience **Steel Che**'s compelling metalwork sculptures. The South Korean, New York City-based artist transforms industrial materials into artistic forms, with his centerpiece "Steam Robot" demonstrating masterful steel manipulation.

At Coral Gallery (Booth 711), "**The Nature of Art**" presents Roberto Vivo's three-dimensional works that explore the relationship between nature and culture. His dynamic sculptures echo Matisse's cut-outs while creating bold, corporeal forms that challenge traditional artistic boundaries.

Snisarenko Gallery (Booth 406) presents "**She, Unbroken**," a powerful exhibition featuring Ukrainian-born women artists Inna Kharchuk, Anna Veriki, Iryna Maksymova, and Liza Zhdanova. Their works explore themes of resilience, displacement, and transformation through the lens of contemporary experience.

Special Evening Event
