LA Art Show Proudly Supports the American Heart Association!

The LA Art Show is proud to once again partner with the American Heart Association (AHA) as our 2025 charity beneficiary. Together, we support the AHA's mission to prevent death and disability caused by cardiovascular disease and stroke – two of the most significant health challenges in our society.

With a portion of every ticket purchase, the LA Art Show contributes to funding the mission of the American Heart Association – which includes CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival. Dedicated to working with passion and purpose in a people-centered way, the American Heart Association has had a tremendous impact on advancing knowledge about heart and brain health with the goal of providing everyone the chance for full, healthy life.
