LA Art Show Announces International Exhibitor Lineup for 30th Anniversary Edition

The LA Art Show returns to the Los Angeles Convention Center from February 19-23, 2025, marking its 30th Anniversary as the city's longest-running art fair. Under the leadership of director and producer Kassandra Voyagis, we present an international selection of galleries and institutions that reinforces Los Angeles's position as a global art center.

In response to recent events affecting our city, we are implementing several community support initiatives. The show will offer complimentary entry to firefighters and their families, and will support rebuilding efforts through an upcoming charity partnership. We recognize art's unique power to heal and unite communities, and we are committed to working alongside Los Angeles residents as we rebuild and recover together.

As we mark three decades of advancing Los Angeles's cultural landscape, our commitment to the city's creative community remains steadfast. The LA Art Show continues to serve as a platform for creativity and connection, contributing to the resilience and renewal of our city's artistic ecosystem.

For our 2025 edition, we will be featuring the following galleries and institutions:
