### LA Art Show Thanks 30th Anniversary Sponsors & Partners

The LA Art Show acknowledges our sponsors and partners who support the 30th anniversary edition. Their contributions directly impact the show's reach and success, enabling us to bring international art to Los Angeles.

We're particularly proud to partner with organizations that share our vision for a better future. **US Hybrid**, a leader in zero-emission transportation since 1999, joins our roster of supporters. Their expertise in electric, hybrid, and hydrogen fuel cell technology spans mass transit, commercial transportation, and cargo handling equipment, while focusing on sustainable technology development and accessible clean energy solutions. Their commitment to innovation mirrors the spirit of contemporary art, combining technological advancement with cultural transformation to address global challenges.

As part of the 30th anniversary celebration, US Hybrid presents Colombian artist Julian Toro Duque's debut exhibition at this year's LA Art Show. Duque's work combines traditional and contemporary techniques through bold colors and mixed media, exploring themes of identity and transformation.

**Athletes for Life™**, founded in 1989, continues its partnership with the LA Art Show through their youth outreach programs. Their focus on developing academic excellence and leadership skills in students aligns with our commitment to education and community engagement. Through mentorship and life skills training, Athletes for Life™ helps create strong foundations for future community leaders.

The **American Heart Association (AHA)** returns as our 2025 charity beneficiary. Fifteen percent of all ticket proceeds support the American Heart Association's Life is Why™ campaign, furthering their mission to prevent cardiovascular disease and stroke through research, education, and CPR training. Their work in advancing heart and brain health helps provide communities with resources for healthier lives.

We appreciate all our 2025 sponsors and partners who help make the LA Art Show possible. Their support strengthens our ability to present over 90 galleries and institutions to the Los Angeles community.

**LA Art Show Proudly Supports the  
American Heart Association!**

The LA Art Show is proud to once again partner with the American Heart Association (AHA) as our 2025 charity beneficiary. Together, we support the AHA's mission to prevent death and disability caused by cardiovascular disease and stroke – two of the most significant health challenges in our society.

With a portion of every ticket purchase, the LA Art Show contributes to funding the mission of the American Heart Association – which includes CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival. Dedicated to working with passion and purpose in a people-centered way, the American Heart Association has had a tremendous impact on advancing knowledge about heart and brain health with the goal of providing everyone the chance for full, healthy life.

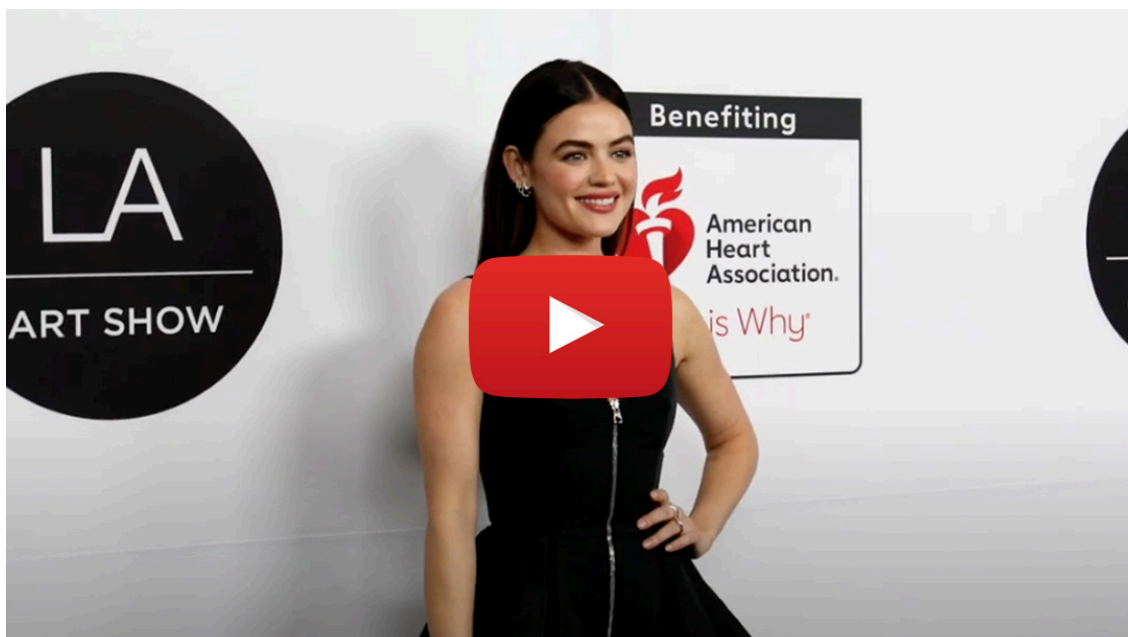

LA Art Show is a proud supporter of the American Heart Association's Life is Why™ campaign
